COMPREHENSIVE HISTORY
16" ALLOYS

Registered in August 1979 this C107 series has covered 73k miles. With a comprehensive history file & a documented restoration to bodywork, including sills & bulkhead areas completed in 2017, this 450 SLC presents and drives superbly. Finished in Astral silver metallic paint (code 735) with contrasting Anthracite velour (901) trim & walnut wood veneer centre console. With standard equipment including all electric windows x4, central locking, power steering & ABS. The SLC model was based on a lengthened version of the chassis from the R107 SL. Introduced in 1971 as the replacement to the W111 coupe it continued in production until 1981 when the S Class C126, better known as the SEC model, replaced it. A total number of 62,888 SLC models were produced making this the third most rare model of Mercedes-Benz. The 450SLC 4.5 model numbering just 31739. This example was previously sold by ourselves to the most recent owners therefore we know this superb car very well. Presenting & driving su...
