COMPREHENSIVE HISTORY

Registered on the 1st September 1990, this superb example of the 500SE series W126 has covered just 67k miles, with only 5 previous owners, with four of those owners having ownership during a 25 year period. Finished in Astral silver metallic paint (735) with contrasting blue leather trim (262) and burr walnut veneer centre console and door cappings. The car has been clearly coveted all through its life, with a comprehensive service history from both Mercedes main dealer and specialist service centres. This superb example has the usual high standard of specification of the W126 S Class, some of which includes an electrically adjustable drivers seat, electric sunroof slide/tilt, illuminated vanity mirrors & outside temperature gauge. In addition the car offers the factory optioned electric passenger seat, walnut wood veneer centre console storage box, leather upholstery & cruise control. For some modern conveniences toward in car entertainment the car has an upgraded Alpine CD/Radio W...
